

### 3<sup>rd</sup> November 2008 Bromeliad SEED

Postage with in Australia \$2.50 up to 8 pkts.,

Postage international; \$5.00 Aus ORDINARY AIR-MAIL up to 6 pkts.

Due to varying import requirements of many countries, **will not be sending seedlings or plants overseas**, only seed & this will depend on the importer of the seed, checking that there are no restrictions for bromeliad seed to their country.

**Ask any questions prior to purchase like;**

What climate is most suited to each group of bromeliads?

Ease of growing that group of plants in your area??

Which plants are heat sensitive & require protection from frosts?

What is meant by small size in seedlings ie 3cm tall?
